

# St. Dennis School Ukulele Agreement

Dear Music Appreciation Family,

The St. Dennis School Music Department is providing an instrument, without rental charge, for this student to use for the \_\_\_\_\_ school year. The following are some guidelines and expectations you should be aware of for the care of the instrument, case, and accessories while it is in your possession. Most of these guidelines are common sense, but I would like to draw your attention to a few key points. Please remember that I expect this instrument to be in good working order for future students. Instruments are an expensive investment that the school district has made with the expectation that they will be treated carefully.

The student is responsible for the up-keep and maintenance of this instrument while it is in their possession. **The student will also be help responsible for repair or replacement costs of the instrument, case, strings, or accessories if they are damaged, lost, stolen or destroyed while checked out to the student.** The student will pay those repair or replacement costs to St. Dennis School within thirty (30) days of notification of the costs incurred.

At the end of the school year, the instrument should be returned in proper working order with all of its accessories.

Sincerely,

Mr. M. Beisser
