# MISSION STATEMENT OF St. Dennis Athletic Committee

## MISSION STATEMENT:

The Athletic Committee of St Dennis School is dedicated to providing a foundation of competitive athletic opportunities while incorporating Christian values and promoting the principles of good sportsmanship, respect, teamwork, integrity and academic achievement.

## GOALS:

- Develop athletic skills and teamwork
- Promote principles of good sportsmanship
- Teach lifelong values through participation in sports
- Fundraise to maintain and improve the facilities and programs of St. Dennis
- All Athletic rules are in addition to all school rules highlighted in the parent handbook as well as school disciplinary procedures.

## INTRODUCTION

The purpose of this handbook is to provide a resource for parents, coaches, school staff and students. Please take the time to carefully read this handbook. Parents, coaches and students are required to read and discuss this material together.

## PHILOSOPHY

Participation in the sports program is encouraged, especially for learning the particular sport and having experience working together as a team. While competition is part of athletics, **cooperation is our focus**. Playing the game for fun and experience takes priority over winning.

Coaches should focus on giving positive feedback in making suggestions for improvement. All students who wish, shall have the opportunity to participate in the sports program. The emphasis on winning shall always be secondary to striving to create a Christian environment which is exemplified by our students, parents, and coaches. Principles of our Christian sportsmanship should prevail at all times.

# MADISON AREA INDEPENDENT SPORTS LEAGUE (MAISL)

This is the league that St. Dennis participates in. It is comprised of Christian schools in the Madison area. The Athletic Committee has one representative that sits on the MAISL board to be a voice for St. Dennis. The league maintains a website to keep coaches and parents notified of schedules, standings, tournaments and related events. Visit [www.maislathletics.org](http://www.maislathletics.org) for more information.

# TEAM ROSTER POLICY

School teams shall be made up of St. Dennis School student-athletes subject to the conditions outlined herein. There will be no maximum limit for the number of school student-athletes on a team roster. When the number of school student-athletes is large enough to support more than one team the Athletic Committee shall determine, on a case-by-case basis, whether or not split the roster into more than one team and/or add Faith Formation students. Consideration will be given to potential playing time, availability of coaches, information gathered from meeting with the Athletic Committee representatives and parents.

the Madison Area Independent Sports League established recommended minimum numbers of team participants for each sport. These recommendations are listed below along with the maximum roster size for the St. Dennis teams.

Sport	Volleyball	Football	Basketball	5/6 Softball	7/8 Softball
Minimum Roster Size	8	10	8	12	11
Maximum Roster Size	12	14	10	15	14

When the number of school student-athletes on a team roster is less than the recommended minimum roster size or so large that there can almost be two teams, team participation shall be open to student-athletes registered in the St. Dennis Faith Formation/Youth Ministry programs. The Athletic Committee shall provide notice to all eligible Faith Formation students of the open positions. If the number of Faith Formation students causes the roster size to exceed maximum roster sizes, the available positions will be filled by lottery. In the event that an interested Faith Formation student has participated in the sport the previous year, the student athlete shall be given priority in filling the vacant roster places.

In addition to contacting St. Dennis Faith Formation students, the Athletic Committee may choose to contact another school participating in MAISL and combine with their school. This arrangement will require approval of administrators from both schools. The process for filling the roster would follow the same steps as above for Faith Formation students.

Parish teams formed exclusively of eligible Faith Formation/Youth Ministry student athletes must petition the MAISL board for approval. Visit the website [www.maislathletics.org](http://www.maislathletics.org) under "documents" to find the appropriate paperwork for submission.

## **ELIGIBILITY & INELIGIBILITY**

All students in grades 5, 6, 7 and 8 are eligible to participate in sports sponsored by the athletic committee. Appropriate behavior in light of the Gospel which is consistent with the pillars of conduct is to be evident in the student's actions.

Student's expectations in the classroom will be addressed by the teacher prior to the beginning of the season. The coach will meet with parents and players at the beginning of the season to clarify regulations and make sure the role of the teacher with regard to team participation is clear.

If a student is absent due to an illness, the student will not be allowed to participate in practice or a game that day. If the absence is on the last day of the school week, the parent(s) shall use their own discretion to allow or not allow student participation in weekend games.

## **Procedures for Academics**

### **Grades 5, 6, 7, and 8**

Each Tuesday of the season, the fifth grade teacher and middle school faculty will meet and determine which students are academically ineligible. All coaches and parents will be notified by Tuesday, which individuals are ineligible. Students who are academically ineligible will start their suspension Tuesday and will regain their eligibility the following Tuesday. Ineligibility will be determined by the following criteria:

- • Poor tests/ quiz scores
- • Consistent poor quality of work/incomplete assignments.
- • Having a **D- or lower** in one of the core classes: LA, Math, Reading, Religion, Science, or Social Studies

Students will be able to participate once their grades are improved. After the 3<sup>rd</sup> offense the student will be permanently removed from the team.

# Procedures for Disciplinary Action

## GRADE 5, 6, 7, and 8

When a disciplinary problem arises **suspension is effective immediately**. Suspension will be a full week starting on the day the problem occurred. Coaches and parents will be notified that day.

First & Second Offense – Student will be removed from all practices and games for one week if s/he is missing three or more assignments. OR Student will be removed from practices and games for one week if s/he is not meeting the expectations set by the teacher. The student will receive a suspension form that must be signed by the teacher(s), student, parent, coach and principal. When completed, the form will be turned into the player's coach.

Third Offense - Student will be permanently removed from a team if s/he has three offenses during a season.

## ATHLETIC PERMIT CARD

Before any student can participate in any athletic practice or game, an athletic permit card must be filled out, signed and returned to St. Dennis along with the athletic fee of \$125. The \$125 is per every sport the athlete participates in during the year. If the athletic fee is a hardship, please contact the athletic director for scholarship information.

## PHYSICAL EXAMINATION CARDS

In order to participate in any athletic program at St. Dennis School, each student must have a current physical card on file in the school office, as required by Diocesan regulation. These cards are available in the school office if you need one.

Physicals are required every 2 years, with the appropriate card (either white or yellow) placed on file **each** year.

## TRANSPORTATION

Since our athletic program involves transportation of students, a signed parental permission slip and indemnification agreement for each student and

a signed volunteer driver information sheet for **each vehicle used** must be submitted according to Diocesan policy and regulations for field trips.

A signed volunteer indemnification agreement and/or a signed volunteer driver information sheet is valid for the specific sport schedule that it is on file.

If coaches are going to be transporting students to and/or from games or practice, a signed volunteer driver information sheet should be on file.

## **RULES AND REGULATIONS**
